| 2024/5407/P | Michelle Berriedale-Johnson | 19/12/2024 18:55:46 | SUPPRT | As a garden volunteer at the cemetery I fully support the proposed plans. They appear to take sensitive note of all the various heritages of Highgate Cemeteries, preserving where possible, restoring where necessary and adding low key modern facilities to improve the efficiency and sustainability of the estate while improving the experience for visitors. |
| 2024/5407/P | Lucy Lelliott | 19/12/2024 14:56:53 | COMMNT | It is so important that this unique, historic space is preserved - particularly the natural landscape with attention paid to drainage, planting and tree management as climate change takes its toll. Also important is comfortable facilities, both for gardeners and employees and also to accommodate educational visits and local schools. |
