	Proposed Cast iron radiators

- Proposed General Notes:**
- The overarching strategy is to retain, refurbish and re-install all existing historic fabric. The following general notes provide an overview of the works and should be read in conjunction with the heritage statement prepared by The Heritage Practice.
 - For new floor finishes, please see floor hatch legend.
 - All existing brickwork to be surveyed followed by a careful repair and refurbishment strategy. Works to include repair of spalling and defective brickwork, re-pointing and chemical cleaning to restore the existing bricks.
 - Existing internal walls to be surveyed to determine requirement for local repairs and re-rendering.
 - All existing windows to be retained and refurbished unless specifically noted otherwise. For full details of works to existing windows, please see the window schedule.
 - All existing doors to be retained and refurbished unless specifically noted otherwise. For full details of works to existing doors, please refer to the door schedule.
 - All chimney breasts and fire surrounds retained. For full details, please refer to the fireplaces schedule.
 - Historic skirting, wall panelling and cornices to be carefully protected, restored and refurbished throughout.
 - For structural modifications, please see the Structural report by Quantum Engineers.
 - For the planning strategy including introduction of new waste runs and heating, please see the Design and Access Statement.

- Proposed Notes:**
- Reinstate staircase in original location. Staircase and spindles to be constructed from timber and to detailed to match the existing stair.
 - Proposed kitchen joinery to be free standing and fixed to the floor only. Joinery will not disturb original skirting, wall panelling or cornice.
 - Existing door retained and fixed shut. The door will remain visible from the stair compartment.
 - New floor structure installed at modified level.
 - Timber framed entrance door and side panel installed to underside of external front entrance steps to formalise area in front of wall.
 - Refurbish and repaint all existing metal railings.
 - Proposed Yorkstone pavers.
 - Proposed wall to separate 9 John Street from 9 Northington Street.
 - Proposed double doors in modified opening - refer to Doors Schedule.
 - Existing staircase to be carefully retained, restored and refurbished throughout, new carpet runner a carpet rods to be installed.
 - Proposed bathroom in new location, please see Design and Access statement for waste servicing strategy.
 - Proposed partition to lower ground floor level as shown. Traditionally detailed skirtings and architrave.
 - Reinstate fire surround traditionally detailed - refer to fire place schedule for full details.
 - Proposed timber privacy screen.
 - Non original ramp removed and replaced with a single step.
 - Existing masonry hole to front of wall relocated.
