Dear Sir / Madam

Our Client: Hero Granger-Taylor
Address: 22 Park Village East, London, NW1 7PZ

We are instructed by Ms Hero Granger-Taylor to write to you in relation to our client's long term home at 22 Park Village East, London, NW1 7PZ.

Our client has helpfully prepared the attached document named "HG-T's comments on HAMS document" which we ask you to consider.

We also enclose the document referenced "Schedule 10 Heritage Agreement Method Statement 1MC03-SCJ-EV-MST-SS01_SL03-000015" which was approved on 30 July 2024.

For the reasons set out in our client's comments on the Heritage Agreement Method Statement, we write to formally request, Camden Council to require SCS Railways to withdraw the Heritage Agreement Method Statement in its entirety.

The rationale as set out in detail by our client is because the document is so grossly inaccurate it is damaging to the reputation of not only to 22 Park Village East but also to our client's interest as the leaseholder.

Please can the above request be considered and a decision notified to us as soon as possible.

We look forward to hearing from you.

Yours faithfully
