Re Application Ref 2024/5389/P – 47 Ornan Road, NW3 4QD

Following receipt of your letter dated 6th December 2024 I am writing to object to planning permission being granted for the erection of an additional storey to 47 Ornan Road for the following reasons:

1. The additional storey will overlook our back garden at _____ and will have an impact on our privacy.
2. The additional storey will be considerably higher than the other buildings on Ornan Road we can see from our property and have an adverse effect on our existing view.
3. We are concerned that granting planning permission for this property could set a precedent for other property owners on Ornan Road to erect additional storeys which would further invade our privacy and spoil the existing view of trees and lower level properties.

We look forward to hearing from you with your comments.

Kind regards

Deborah and Sasha Vaskovic
