2024/5407/P	Charlotte Patricia Brown	30/12/2024 19:10:59	INT	As a grave owner, lifetime cemetery member and regular visitor to Highgate cemetery, I fully support the subject planning proposals. The cemetery is a place for the dead but equally importantly for the living. These proposals will make the cemetery a place not only for burials, but a place for the living to enjoy nature and the cemetery's fascinating history and architecture. The proposals make it accessible as a place for education, meditation, reflection, a place to share a coffee with family and friends and a better workspace for the amazing staff and volunteers. This extensive application is the result of a huge amount of work and careful consideration and consultation. I would therefore encourage you to approve it in its entirety.
2024/5407/P	Honor Cooper	23/12/2024 11:11:31	INT	I am a Life member of the Friends of Highgate Cemetery and have been involved with the Cemetery since 1986. I am also a grave owner there. I consider the plans which are for the long-term viability of the Cemetery to be the best which could be devised given all the special requirements of the Cemetery. I hope that the application will be viewed positively and with enthusiasm.
2024/5407/P	John Robinson	25/12/2024 20:18:09	SUPNOT	This is such a great site with local, national and international potential. The three pillars of conservation, nature and community are excellent. The conservation work and expanded use by local, national and even international communities needs doing and the erection of new buildings is necessary for that work. The Cemetery was abandoned and neglected once before and was a nuisance. The Friends turned the decrepit Cemetery into an asset for the Community. This further work is needed to ensure the Cemetery is a sustainable asset for the future and doesn't become a liability for the Council to manage in the future.

The Cemetery was abandoned and neglected once before and was a nuisance. The Friends turned the decrepit Cemetery into an asset for the Community. This further work is needed to ensure the Cemetery is a sustainable asset for the future and doesn't become a liability for the Council to manage in the future.
2024/5407/P	Tracy Chevalier	22/12/2024 18:40:43	SUPPRT	<p>I am a local resident of 25 years with strong ties to Highgate Cemetery. In the past I have been a volunteer guide and gardener, and have set a novel there. I visit often, and have friends buried there.</p> <p>For many years the Cemetery was looked after with the approach described as 'managed neglect'. In this day and age, it can no longer be looked after in this way. I am delighted with the plans to preserve, develop and transform the Cemetery, both respecting the past and thinking of future visitors and users. I hope the Council will see fit to pass the Cemetery's well thought-out application.</p> <p>Thank you.</p>
2024/5407/P	Kim Gravell	21/12/2024 15:37:39	SUPPRT	I am not a resident of Camden but I visit frequently to go to Highgate Cemetery. For many years I have enjoyed the peaceful atmosphere and the wonderful collection of monuments within the cemetery grounds. In fact, I was moved to set the final scenes of my most recent novel, To Pay for the Crossing, in the cemetery. I have reviewed the proposals regarding this planning application and believe that the work proposed will help to secure the future of the cemetery while maintaining its unique atmosphere and beauty. I would therefore ask that the planning permission be granted.

2024/5407/P	Colin Roy Simpson	31/12/2024 11:42:16	SUPPRT	<p>I am a life member of the Friends of Highgate Cemetery, and have been so for fifteen years. I live too far from Highgate to support the Friends in any practical form, but I visit regularly, attend events whenever I can, and never hesitate to praise the beauty of Highgate to anyone who is unfamiliar with this precious venue which is vital to an understanding of the history of London, along with the other "magnificent seven" cemeteries of the early 19th Century.</p> <p>Accordingly, I beg you to support this planning application, which will enable the custodians of the cemetery to preserve this unique landmark for future generations, and inform and educate visitors from this country and overseas in its purpose and history. I thank you sincerely in advance for your support.</p>
2024/5407/P	Elizabeth Thompson	29/12/2024 10:49:35	SUPPRT	Support the thoughtful and detailed plans for improving cemetery in a considered manner with a close eye in a sustainable future
2024/5407/P	Daniel Silverstone	28/12/2024 15:27:57	INT	<p>I live very close to Highgate cemetery and often visit</p> <p>I am fully supportive of their proposal, particularly the new education centre</p> <p>thanks</p>
2024/5407/P	Robin Oakley	22/12/2024 14:51:00	SUPPRT	<p>I am a grave-owner, Friend, and Volunteer gardener and researcher at the Cemetery, and I have lived for nearly 40 years in Dartmouth Park close by. I would like to strongly support this application, which is admirably thorough and comprehensive in scope, and addresses all the major needs which have been becoming increasingly urgent over time. From my personal perspective, I would like to particularly highlight the need to provide improved facilities for gardening staff, and the importance of building relationships with the local community (especially schools) - both of which are well-addressed in the plan. The Cemetery is one of the Borough's outstanding assets, and I hope that the Council will give the Cemetery's management team and specialist project team all the support it can in implementing this development plan.</p>
2024/5407/P	Judith	28/12/2024 10:30:31	NOBJ	<p>Highgate Cemetery is a wonderful historic space with an important role for adjacent communities, families who have friends and relative buried here. It is also attracts national and international visitors.</p> <p>I strongly support the proposals in the planning application which will safeguard historic structures, enhance the habitat and provide modern fit for purpose accommodation for staff and visitors.</p>
