2024/5468/P	Caroline Woodroffe	21/12/2024 18:08:09	OBJ	As a ground floor resident I have not been consulted on a walk-through lift and I am not at all happy about the possibility. I understand that when the lift is in use I will have to wait to get to my flat. Moreover when it breaks down the doors will lock automatically. I usually enter and leave the building via the back door. This is my access to vehicles, bins, deliveries, and the main road. Finally, raising the level of the path outside my kitchen window will lead to a loss of privacy.
