2024/5548/P	GTRA	31/12/2024 07:36:45	OBJ	We are Gamages TRA representing over 1000 residents local to this application. We also support residents of Langdon Hse. who have reached out to us regarding this application. Langdon Hse being virtually next door to this will be strongly affected by this outside space affecting noise and privacy as the outside space will look directly into people's apartments. We strongly oppose this application as this seems to be a trend in planning by office developers without taking into account the harm and distress it can cause residents living directly next door.
