Dear Sir

Re: Application Number 2024/5682/T, Notification of Intended' Works to Tree(s)
in a Conservation Area, Proposal: Front Garden - 1 x Magnolia (T1) - Fell to
ground level

I was shocked to see this application to fell a Magnolia tree, which gives
pleasure to all the local people. At a time when trees have been lost in the
area I would urge you to deny permission to this application. Perhaps one of
your tree experts could give the owners advice on how to prune such a tree.

Yours faithfully

Jane Fawcett
