2024/5719/P	The Belsize Society	07/01/2025 22:53:24	OBJ	This appears to be an historical mews building, though altered, in the Belsize Conservation Area. We would have expected a Design and Heritage statement but there is none. Neither is there any assessment or drawings or mention of any relationship to neighbouring buildings, overlooking, loss of light, materials or any other significant factors enabling a decision to be made.
