

2024/4109/L 2024/4078/P - 20 A Montague Street: No Comment

Dear Lauren,

When the BCAAC first checked this application about a month and a half ago there were no documents on file and this should be brought to your attention. Checking now the plans are on file and the application has been Granted. The BCAAC wish to put on file that it has no objection to the plans to build a greenhouse.

Marianne Jacobs-Lim
