To Whom it May Concern

Dear Sir

Re : 56 Platts Lane, 2024/5238/P

I am a Chartered Engineer with over 45 years' experience of structural design and review of residential and commercial properties. I am a fellow of both the Institution of Civil Engineers and the Institute of Building and am trading on the basis of a single engineer practice with no supporting staff.

I was appointed by the property owner, Mr A Rei, to carry out the structural design of the new lower ground floor development and carry out site inspections as necessary to resolve any site issues and ensure the quality of the construction, which I did and reported back to Mr Rei to say all the works seen were of an acceptable standard and in accordance with my design.

Yours sincerely

A handwritten signature in black ink, appearing to read 'S. R. Brunswick', written in a cursive style.
