2024/5708/L	Highgate Conservation Area Advisory Committee	09/01/2025 14:40:59	OBJ	Highgate Conservation Area Advisory Committee objects to this application. Apparently pubs are having a lot of thefts of beer, etc. at the moment so we have no objection to CCTV per se but we would like full details of how and where the ethernet cables would be run back to the office. We did wonder what risk was involved in the seating area named 'The Cottage' on the plans. It would also be helpful to see the Police report with their recommendations.
