

Dear Camden Council,

My name is Tiziano Hu and I'm writing on behalf of my partner Peijie Li and myself as leaseholders of 34 Agar Grove, NW1 9SY, London.

We're writing to you to express our strong objection to the proposed opening of the OFF license near us on 2 Milburn Lane as this can potentially attract late night loiterers, drunks and trouble makers - putting the revamp of Agar Grove into a more residential area, 10 or more steps back.

In addition, we already have a NISA on the opposite side of the street so another off license would not add any value to the community.

Thanks,
Tiziano & Peijie
