Dear Esteemed Members Camden Council's Planning Team,

I trust this note finds you well.

As a tenant with a growing family in the same development as the above address I wanted to register my objection to the granting of an "Off License" at 2 Milburn Lane.

,I am concerned that an addition of an off licence will attract late night loiterers, drunks and trouble makers. The new development was seen as a way of making Agar Grove more residential and my concern is that this addition will not be right for the area.

We already have a NISA on the corner (30 metres away) so I don't understand how this is being allowed to happen. When the development was under construction we were under the impression the space would become an office or something more beneficial to the community.

Best,
Nafez Dakkak
