Dear Sir/Madam,

I am writing to express my full support for the planning application to add an additional floor to the home of the Senior Rabbi and his family.

Living on the same road, I have had the privilege of witnessing and experiencing the Rabbi and Rebbetzin's dedication to our community. Their home is not just a place for their family but also a welcoming space for members of our congregation and the wider community. The current house is clearly too small for their needs, and the proposed extension would provide them with the space required to live comfortably and continue their invaluable work.

I understand some neighbours have voiced concerns, but as someone who lives nearby, I believe the proposed changes are considerate and will not negatively impact the character of our road. Instead, they will ensure that the Rabbi's family can remain here and continue to enrich our community.

I strongly urge the council to approve this application.

Yours sincerely,

Leon Blitz
