Dear Planning Department

Further to my recent objection to this application (dated 13 January 2025) I do not see why the developer (or their associated PR agency) has not been in touch with the local primary school - Argyle School, in Tonbridge Street (only a few yards away) to initiate a design project. When the Standard Hotel was being converted from Camden's former Council Annexe building, paintings done by children at Argyle School were displayed on their hoardings.
