7 Sandwell Crescent

SANDWELL CRESCENT

- Proposed terrace to same level as garden at this junction, to provide a weather proofing step up to the new door and existing internal floor level, and level access from the new extension's raised floor level. Terrace decking in sandstone planks with porous smooth pebble substrate
- New dwarf wall to terrace edge to limit surface water around new extension doors. Wall finished in white render
- Existing garden naturally falls towards rear of existing house

Use figured dimensions only
All dimensions to be checked on site
All drawings to be read in conjunction with the Structural Engineer's drawings
