2025/0201/P	Craig	23/01/2025 13:34:06	OBJ	<p>Objection.</p> <p>There are already too many of these stations littering our streets and giving access to untrained cyclists who have no respect for pedestrians - on the pavements or crossing the road - as most don't stop at traffic lights but continue regardless.</p> <p>I am talking as a cyclist myself!</p> <p>If there is to be no regulation or controls introduced to these cycles then we should stop adding to the chaos until there is!</p> <p>I haven't even mentioned the continuing increase in mobile phone theft often perpetrated from these "hire" bikes!</p> <p>Until increased regulation is introduced this is a serious objection to further installations!</p>
