

A detailed architectural line drawing of a two-story house. The house features a gabled roof with two chimneys on the roofline. The front facade has a central entrance with a small porch supported by columns and a set of steps. To the left of the entrance is a large window, and to the right are two large windows. Above the entrance and the windows on the right are smaller, square windows. The drawing is a black and white line art, showing the structural elements and proportions of the building.

Front Elevation, As Existing and Proposed
Scale: 1:100

An architectural elevation drawing of a three-story house. The house features a gabled roof with two chimneys on the ridge. The front facade has a central entrance porch with a dark door and a small window above it. There are several multi-paned windows on the upper floors. The drawing is a line art illustration with some color shading on the porch and roof.

Rear Elevation, As Existing and Proposed
Scale: 1:100
