2024/4822/P	Bioux Hayes	28/01/2025 12:28:42	COMMNT	Pubs are the life blood of our community, and in the current climate we need to allow as much opportunity as possible for them to thrive. Also, I have loved living in Primrose Hill for almost a quarter of a century, and understand it is part of London and not some isolated village. I hope this business get the planning permission they require and this traditional old pub lives for on. It was closed for many years and was a sad sight indeed.
