2024/5777/P	Zoe Harvey-Lee	28/01/2025 19:27:04	INT	this extensive development will considerably further add to the loss of natural light to the basement studio room next door at number 27. This room is of creative interest in that it was for over 40 years the dance studio of the renown contemporary dance teacher Hilda Holger a student of whom I was for 14 years joining her weekly in this studio, a room that deserves preservation.
