2024/5792/P	Maria Hii	28/01/2025 11:34:45	COMMNT	<p>Hello team,</p> <p>I am Maria Hii, a member of the church since 2011 and I am writing to strongly support the planning application 2024/2792/P. It has been our vision since the time I joined the church to redevelop it to suit current generation's needs. As a long time member, I have seen how the church has positively impacted the neighbourhood and the members within it, from building a community to providing support and a place of worship in central. The redevelopment will greatly benefit the community further by ensuring that essential upgrades are made so that the church can remain as a inclusive space for all. Not to mention, through the inclusion of the cafe in the redevelopment, this can help us to reach a wider community. Growing up at King's Cross Methodist Church, it has been a vital part of my life as well as my friends here who found a community they belong in. This provided us a sense of belonging and place for spiritual growth that the redevelopment will ensure that the church can continue to serve people like me. Thank you for taking the time to read through my comments. I believe that this redevelopment is crucial for the future of our community and will bring significant benefits to both the church and wider neighbourhood. I strongly encourage the council to consider it positively. Many thanks in advance!</p>
2024/5792/P	kaihang he	29/01/2025 08:49:55	SUPPRT	I strongly support this redevelopment of my church. because we need more space and new look for church, it's too small and not friendly for disabled person..
