

- 2400x1200 Suspended acoustic rafts (or group of rafts) suspended from soffit above. Spec. TBC.
- Existing modern ceiling tiles removed to expose existing concrete soffit
- Existing heavily textured 12" square mineral ceiling tile on concealed grid @ nom. 2800 AFL to be repaired with reclaimed tiles and spray painted to achieve uniform tone.
- Existing in-situ concrete columns
- New perforated metal plank ceiling with bulkheads and other trims @ 2400 AFL - SAS System 330 to match replacement ceilings elsewhere in the building.
- New perforated metal plank ceiling with bulkheads and other trims @ 2200 AFL - SAS System 330 to match replacement ceilings elsewhere in the building.
- Existing painted plasterboard ceiling @ nom. 2450 above level C floor level, note ceiling is over a double height space to level D below. **Water damage to be repaired and locally filled prior to redecoration.**

Notes

Setting out of grids and tiles are not accurately reflected in these plans - they are for scoping and planning purposes only.

These drawings only show areas assumed within scope of the project

Planning Issue

A3 sheet size

Check all dimensions on site and report discrepancies to the designer
