

Final layout of acoustic rafts to be finalised in conjunction with lighting design

Plasterboard ceiling extended and altered to allow creation of meeting room and enlarged office space

-  2400x1200 Suspended acoustic rafts (or group of rafts) suspended from soffit above. Spec. TBC.
-  Existing modern ceiling tiles removed to expose existing concrete soffit
-  Existing 600x600 ceiling tiles and grid @ nom. 2750 AFL
-  Existing painted plasterboard ceiling @ nom. 2750 AFL
-  Existing painted plasterboard ceiling @ nom. 2400 AFL

**Notes**

Setting out of grids and tiles are not accurately reflected in these plans - they are for scoping and planning purposes only.

These drawings only show areas assumed within scope of the project. Ceilings are identified for rooms within the package of works.

**Planning Issue**

**A3** sheet size

**Check all dimensions on site and report discrepancies to the designer**
