2024/5792/P	Wing Tse	30/01/2025 14:54:42	INT	I have been going to King's Cross Methodist Church every Sunday since 2012. I fully support this application and urge the council to approve it, as I believe the proposed redevelopment will have a lasting positive impact on our community.
2024/5792/P	Jianwen Liang	30/01/2025 15:28:08	COMMNT	<p>This site is Kings Cross Methodist Church, Since 1998 when we moved to Camden Town, I started attending this church for worship & have witnessed its growth. It used to be a local church, gradually expanded to have multinational & many different minority ethnic groups together.</p> <p>Even though now I have moved out of central London, my daughter went to UCL & she applied for accommodation, this facility is open for both believers & non-believers, UK students & overseas students. During their staying, the church staff provided pastoral care for them. I would like to support for this application</p>
2024/5792/P	Sheung Mei Li	30/01/2025 14:55:32	INT	I regularly attend worship services and events at King's Cross Methodist Church. I heard that there will be improved accessibility features and it should make it easier for those with a buggy (like me) and those with mobility issues to access the church. I believe the redevelopment will bring immense benefits to both the church and the wider neighbourhood.
