Dear Planning Department

We are the owners of 2 Benhams Place

We understand that a Planning Application has been submitted by Cadent Gas Ltd and/or their agents Dalcour Maclaren

The application is to reconnect the gas to our property and apparently involves face fixed pipes on the front elevations

If this is the case we certainly do not agree with this proposal and have not been advised about this application and have certainly not given our consent

We formally object to this proposal

Yours

Louise Harrison, Mary Harrison, Thomas Harrison
