Subject: Tree works NW6 3EB

Sirs

I wish to make an application to carry out work to fruit trees in my garden at 48 Canfield Gardens NW6 3EB. I attach photographs of the trees in numerical order referring to their position on the attached drawing(not to scale)

Trees 1 and 2 - Apple trees. Prune back to previous points of reduction, up to 2 metres.

Tree 3 - Pear. Prune up to 2 metres to correct and shape previous bad pollarding.

Tree 4 - Pear. Fell to the ground. Tree is old, diseased, disfigured and produces no fruit and few leaves.

I await your response. Thank you.

Peter Symonds
