Ref Planning Application - 2025/0107/P
Site Address 45 Murray Mews London NW1 9RH

I discover on your website this application is out for comment. I wish to object to the application on the grounds that the council has not taken reasonable measures to consult interested parties.

There has been no notification of this application to enable local community for comment. As of 5th Feb 2025, neighbours have not been contacted nor have notices been posed in the street, such as attached to lamp posts as is the normal custom.

Stay well,

Bill Erickson
