Hi planning group,

Hope all is well with you ...

I **OBJECT** to the planning application to convert the Magdala pub's first floor function room to residential use.

Please instead remove the false wall partition and reinstate access to the first floor as the locals of the pub want their community space and function room back! It would be a main and much needed meeting hub for use by local community groups

Support your local ... use it or lose it !!!

Cheers!

Best regards

Colin
