Hi Camden Planning,

Hope all is well with you ...

Re: **2024/4822/P**. External alterations to involve provision of a low level Kitchen Extract Ventilation System and provision of lightweight, timber, non-permanent, covered seating within existing Pub Garden to rear of ground floor level Public House (Retrospective).

I write this message in **SUPPORT** of the planning application for alterations to the Albert (Primrose Hill) pub's garden.

The Albert is a lovely community pub and needs support with their plans for the garden and kitchen vent. This will render the pub garden more safe, quieter and user friendly making visits to the pub even more pleasant.

Support your local ... use it or lose it !!!

Cheers!

Best regards

Colin
