Hello

I am writing in support of Highgate Cemetery's application 2024/5407/P.

It is clear that the very detailed application is the culmination of many years' careful study and design. It is to be commended in its ambition, especially the proposed new buildings: the sensitive and attractive design of the visitor & operations building, the discrete nature of the gardeners' building, and the striking pyramidic roof of the education centre.

It would be fantastic if the application were approved and granted in its entirety.

Regards
Adam Cooke
