2024/5080/A - 74 Charlotte Street: Objection - no documents & same day registration & determination

Dear Planning,

The BCAAC looked at this application but were unable to make an informed comment as there were No Documents on file. Also, it was noted that the application Registration date of 27<sup>th</sup> January '25 was the same as the Determination date. Is there a reason for this? Thank you for your response.
