

162 | 160-154  
ELEVATION A

ELEVATION B

152

**EXTERNAL FINISHES/MATERIALS**

**Roof:** Natural slate tiles, dormers, lead faced.

**Walls:**  
 Elevation A – Yellow stock brick with flat cambered arches to windows.  
 Elevation B – Red brick with reconstituted Portland stone 'architrave' around windows and main entrance.

All bricks to be approved by Local Authority.

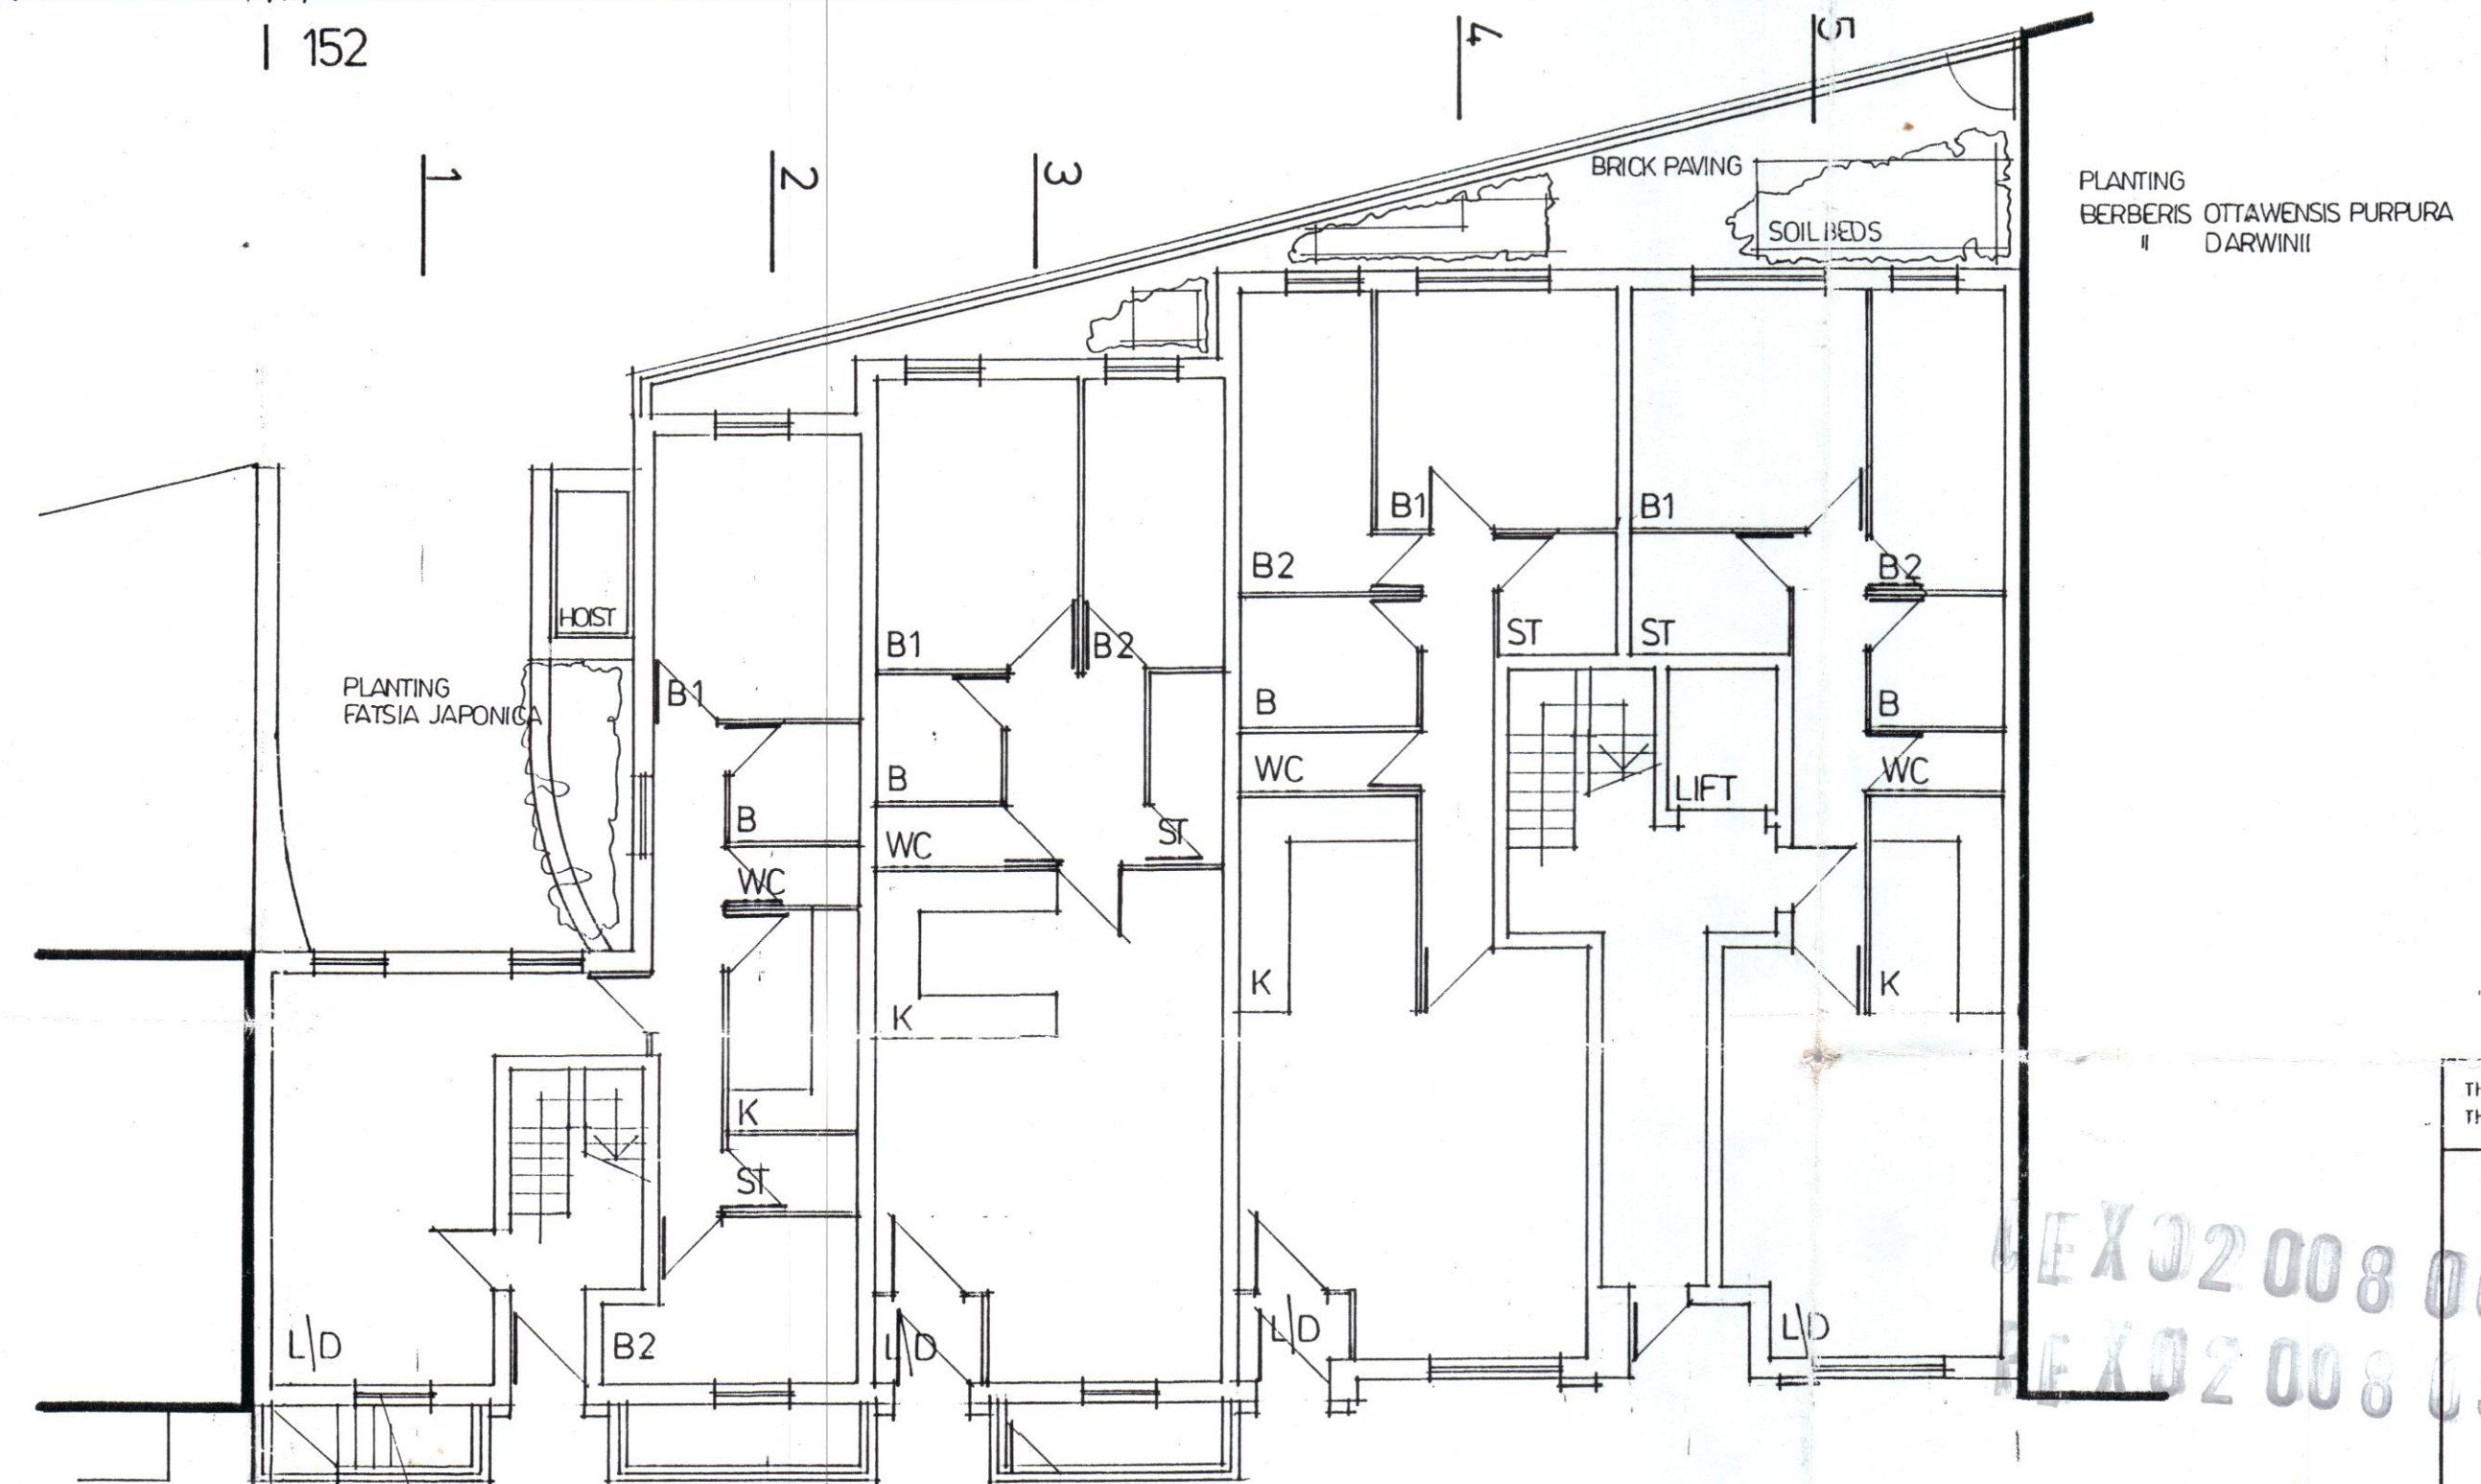

**Windows:**  
 Elevation A – White painted rendered jambs. Double-glazed, small pane, traditional box sashes painted white.  
 Elevation B – Double-glazed, painted metal frames. Final details to be agreed with Local Authority.

**Doors:**  
 Elevation A – Painted timber doorcases to traditional detail with painted timber 6-panel raised field panels with transom light over.  
 Elevation B – Painted timber door and frame set in reconstituted Portland stone architrave.

**Railings:** Black painted, mild steel 'spearhead' railings to match existing to No. 162.

**BASEMENT PLAN** NOTE: ALL EXPOSED WALLS TO BE FACING BRICK | CARPARK + RAMP CONCRETE
