2025/0424/T	CRASH	04/02/2025 17:35:07	OBJ	CRASH would like to object to the proposed felling of these two trees. The reason given for felling in the application form is subsidence but no evidence is provided to substantiate this. It would be a shame to lose more trees in rear gardens and these trees are visible to multiple properties backing onto the communal gardens between Canfield Gardens and Greencroft Gardens.
