

7th February 2025

London Borough of Camden
5 Pancras Square
London
N1C 4AG

Dear Sir / Madam,

Town and country Planning Act 1990 (as amended)
Re: Application for the installation of a Cycle Hire docking station (25 docking points maximum and a terminal) on the carriageway adjacent to Truro House, Mount Pleasant, WC1X 0AE in the London Borough of Camden.

Planning Portal reference: PP-13698057

I enclose an application by Transport for London (TfL) for planning permission for the installation of Cycle Hire docking stations (25 docking stations maximum) and a terminal at the above address.

This application follows the Mount Pleasant – New Cycle Hire Docking Station Consultation which occurred in January 2025. A final decision as to whether the works are to go ahead is yet to be announced and this proposal will only proceed if Camden decide to proceed with the works. The proposal will only go ahead if Camden decide to proceed with the works.

The Cycle Hire scheme is now a familiar public transport mode which allows people to hire a cycle from a docking station and return it to either the same or another docking station. It also encourages active travel, offers a sustainable and low emission form of transport and provides users with the fastest option for many short journeys.

The proposal is described in full in the Planning Design & Access Statement.

The application has been submitted via the Planning Portal. It consists of:

- Planning Application Form
- Community Infrastructure Levy (CIL) form
- Planning, Design and Access Statement – for information only
- Planning Application Drawings Comprising:
