2025/0370/P	Tom Symes and Beth Noakes	11/02/2025 18:38:22	SUPPRT	We live at 79 Lawn Road. We support the application for the new side dormer. The vast majority of the houses on this side of Lawn Road have side dormers and the proposed dormer appears to be very well designed and appropriate. The new side dormer would not look at all out of place in the line of houses. We found that installing a dormer at our house enabled us to make good use of the attic space, providing sensible access to an unobtrusive, well insulated additional bedroom.
