2024/4887/P	Andrew Dow	12/02/2025 14:56:09	OBJ	<p>What is Camden trying to hide?</p> <p>Why limit an Environmental Impact Assessment that will take place in a heavily built up residential area with poor access to any road?</p> <p>Surely if Camden discovers as much as possible about the problems it will face and create with this scheme, it is in everyone's interests to know about this as early as possible.</p> <p>But then, when did Camden ever do something sensible, when it could do something else and make everything immeasurably worse.</p> <p>Of course I object""</p>
