2025/0162/P	Sam Dooley	13/02/2025 09:25:41	SUPPRT	I live along Delancey Street and have always found this passageway to be littered and being used by people to loiter and take drugs. I think that having more activity and people using this passageway for offices such as this is a great way to prevent drug taking and littering in our local area. I want to show my support for this proposal.
