2025/0378/T	Mariusz Stochaj	16/02/2025 09:12:29	JUST	<p>There are some contradictions. The application form states: T1-T2 Portuguese Laurel + Cotoneaster No.0442 - Fell to ground and treat remaining stump with herbicide to prevent regrowth (same as the yellow notices), whereas in the proposal section of the summary we read: 1 x Portuguese Laurel (T1) - Cut back from building to create 1m clearance from the building. 1 x Cotoneaster (T2) - Cut back from building to create 1m clearance from the building and remove lower branch.</p> <p>Felling these trees would be totally unjustified and unacceptable. Wates (the applicant) have already demolished a number of planted beds on this residential estate without due justification. This would be yet another act of environmental vandalism.</p>
2025/0378/T	Mariusz Stochaj	16/02/2025 09:19:29	OBJNOT	<p>The application specifies 2 trees (T1 and T2) whereas the enclosed map shows 3 trees (T1, T2, T3). The application specifies tree number 0442 whereas the enclosed photograph clearly shows the ID tag with number 0441.</p> <p>These discrepancies render this application inadmissible.</p>
2025/0378/T	Patricia Stevens	16/02/2025 09:56:59	COMMNT	<p>I believe that this application was made in order to make room for scaffolding to be erected for works that were carried out last year.</p> <p>The works have been completed (2024) with the scaffolding having been erected without the need to create the 1m clearance initially proposed.</p> <p>I request that this application be withdrawn.</p> <p>Many thanks.</p>
