

I am writing on behalf of CRASH , the Combined Residents Association of South Hampstead . A resident in an adjoining property has raised concerns with CRASH about the height & roof design of the garden building currently under construction at this property. I have reviewed the application on the planning website & note that consent to a building was granted on 16 February 2023. However , there is no copy of the decision notice or the officer's report amongst the uploaded documents. Please could you send me copies of these items & ensure that the relevant documents are uploaded as soon as possible.

Regards ,
