2025/0402/T	Harlan Zimmerman	19/02/2025 08:15:44	INT	There have already been a large number of trees felled in this property and the adjoining one. It is alarming and suspicious that so many more are now being targeted. Also, I am concerned that there is no real description of the work planned to reduce foliage between this property and adjoining properties, such as my families. This is inportant for privacy and noise reduction.
