2025/0171/L	Ethan Sassower	17/02/2025 17:29:04	COMMNT	<p>There is no mention (neither in the application nor in this Camden planning web listing) that the flank wall of the single storey rear extension (also grade II* listed) to 40 Rosslyn Hill (the former Lloyds bank) has also been rendered by the applicants and this is clearly visible when viewed from the grounds of Rosslyn Hill Chapel for example.</p> <p>Therefore the effect on 40 Rosslyn Hill needs to be included when considering this planning application and indeed when determining what resulting actions are to be taken.</p>
