2025/0382/P	Elizabeth Haggerty	18/02/2025 12:45:05	COMMNT	As the main bedroom of 22d has its windows at the rear of the conjoined property we would be grateful if the assurance made in the design statement that the "terrace will not be used to bother neighbouring properties through noise" could (if possible) be made a condition. Thank you.
