If there is no permit holder bays we are forced to use the pay and display as there is never any space on Phoenix Place. As it is it has been taken over by people who don't drive and don't move there cars for week on week, there is 2 vehicles who haven't moved in 9 months and now Santander want to take over 3 bays. How about they choose a place on Warner Street which will be more convenient for the residents locally.
