Lunawood 3D claddings for batten-look

Lunawood's 3D claddings bring Nordic luxury and a natural feel to a space. Seven premium 3D profiles, suitable for all climates, offer beautiful texture for interiors and facades. Thanks to the tongue and grooved profile, the products are quick to install.

Lunawood 3D claddings are thermally modified using only natural methods, heat and steam. Only the most sustainable Nordic spruce and pine are used as raw material for the products. Lunawood ThermoWood® doesn't require surface treatments, which makes it an ecological choice throughout its life cycle.

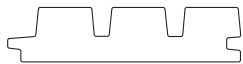

Benefits of Lunawood 3D claddings

- Premium 3D-look for decorative surfaces
- For outdoor and indoor use
- Dimensionally stable
- Easy to maintain in all climate conditions
- No chemicals or toxins
- Easy and quick to install
- Expected service-life 30 years (BRE)
