| 2024/5714/P | Henry Lamprecht | 23/02/2025 17:44:17 | SUPNOT | <p>This property has been standing empty for a very long time and clearly there isn't sufficient interest to retain it as a commercial property. Given the national housing shortage and in particular the constraints in places like Central London, I commend the use of this building as a residential property.</p> <p>The designs are sensitive to the local setting and the intentions of returning this property to its original use should be supported.</p> <p>As a local resident only a few yards up the road, this is exactly what we want to see in our lively and vibrant neighbourhood.</p> |
