2025/0462/P	Ian Morley	26/02/2025 10:58:42	OBJ	<p>Is this a joke? I live in Phoenix House and the proposed front door looks absolutely hideous. It is not in keeping with the surroundings. Phoenix House and the adjacent theatre dates back to the 1930s; this modern entrance looks totally out of place. The window panes allow those on the street to see into the building which is a security risk. Whilst I do not object in principle to the entrance being updated, it must blend in with the surrounding area. I totally object to these plans as the currently stand.</p>
