**IMPORTANT – THIS COMMUNICATION AFFECTS YOUR PROPERTY**

**TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED BY THE  
PLANNING AND COMPENSATION ACT 1991)**

**ENFORCEMENT NOTICE**

**ISSUED BY: THE LONDON BOROUGH OF CAMDEN**

1. **THIS IS A FORMAL NOTICE** which is issued by the Council because it appears to them that there has been a breach of planning control, under Section 171 A (1) (a) of the above Act, at the land described below. They consider that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations. The Explanatory Note at the end of the Notice and the enclosures to which it refers contain important additional information.

2. **THE LAND TO WHICH THE NOTICE RELATES**

**Land at: 12 St. Anns Gardens, London, NW5 4ER** as shown outlined in black on the attached plan (“the Property”).

3. **THE BREACH OF PLANNING CONTROL ALLEGED**

**Without planning permission:** the installation of two condenser units to the rear elevation of the property, located above the roof of the first floor extension

4. **REASONS FOR ISSUING THIS NOTICE:**

- a) The development has occurred within the last 10 years;
- b) The condenser units, by virtue of their scale, design, location, and prominence constitute harmful and uncharacteristic additions to the host building and surrounding area, contrary to Policy D1 (Design) of the London Borough of Camden Local Plan 2017;
- c) The condenser units, in the absence of a suitable acoustic enclosure, have the potential to result in detrimental noise nuisance to neighbouring amenity, contrary to Policies A1 (Managing the impact

**Council reference: EN21/0650**

of development) and A4 (Noise and Vibration) of the London Borough of Camden Local Plan 2017;

- d) In absence of justification for the need for active cooling by reducing and mitigation the impact of dwelling overheating through the application of the cooling hierarchy, the development fails to minimise carbon dioxide emissions, contrary to Policies CC1 (Climate change mitigation) and CC2 (Adapting to climate change) of the London Borough of Camden Local Plan 2017; and
- e) The Council do not consider that planning permission should be given because planning conditions could not overcome these problems.

**5. WHAT YOU ARE REQUIRED TO DO**

Within a period of **THREE (3) months** of the Notice taking effect:

- 1. Completely remove the unauthorised condenser units.
- 2. Make good any resulting damages and return the site to its previous state.

**6. WHEN THIS NOTICE TAKES EFFECT**

This notice takes effect on **6 March 2025** unless an appeal is made against it beforehand.

**DATED: 22 January 2025    Signed:**

An appeal may be brought on any of the following grounds—

- (a) that, in respect of any breach of planning control which may be constituted by the matters stated in the notice, planning permission ought to be granted or, as the case may be, the condition or limitation concerned ought to be discharged;
- (b) that those matters have not occurred;
- (c) that those matters (if they occurred) do not constitute a breach of planning control;
- (d) that, at the date when the notice was issued, no enforcement action could be taken in respect of any breach of planning control which may be constituted by those matters;
- (e) that copies of the enforcement notice were not served as required by section 172;
- (f) that the steps required by the notice to be taken, or the activities required by the notice to cease, exceed what is necessary to remedy any breach of planning control which may be constituted by those matters or, as the case may be, to remedy any injury to amenity which has been caused by any such breach;
- (g) that any period specified in the notice in accordance with section 173(9) falls short of what should reasonably be allowed.

Not all these grounds may be relevant to you.

There are restrictions on whether you can make your appeal on ground (a) if you have also made a related retrospective planning application.

Where an enforcement notice was issued before 25 April 2024, no appeal under Ground (a) may be made if the enforcement notice was issued within the time allowed for determination of the retrospective planning application.

Where an enforcement notice is issued on or after 25 April 2024, no appeal under Ground (a) may be made within two years of the date on which the related application ceased to be under consideration.

If you appeal against the notice on Ground (a) “That planning permission should be granted for what is alleged in the enforcement notice, or that the condition which is alleged not to have been complied with should be discharged” there is a fee payable under Regulation 10 of the Town and Country Planning (Fees for Applications, Deemed Applications, Requests and Site Visits) (England) Regulations 2012/No.2920 for the deemed application for the planning permission for the development alleged to be in breach of planning control in the enforcement notice.

The fee is payable twice to the “London Borough of Camden”, as the Local Planning Authority.

It is the Council understanding that you are unable to appeal under Ground (a) and therefore there is no fee payable. However, if you disagree with this assessment and if you wish to appeal under Ground (a), the fee payable to the “London Borough of
