Dear Sir/Madam

## **DECISION**

Planning (Listed Building and Conservation Areas) Act 1990

### **Listed Building Consent Granted**

Address:

**11 Leverton Street  
London  
NW5 2PH**

Proposal:

Demolition and reconstruction of rear garden party wall between Nos 11 and 13 Leverton Street.

Drawing Nos: Site Location Plan (Date produced 10-Nov-2024);

TQRQM24315191315978; Existing and proposed elevation of boundary wall to be rebuilt; Design and Access Statement - 11 Leverton Street Party Wall (10th November 2024);

The Council has considered your application and decided to grant Listed Building Consent subject to the following condition(s):

Conditions And Reasons:

- 1 The works hereby permitted shall be begun not later than the end of three years from the date of this consent.

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 The development hereby permitted shall be carried out in accordance with the

following approved plans:

Site Location Plan (Date produced 10-Nov-2024); QRQM24315191315978; Existing and proposed elevation of boundary wall to be rebuilt; Design and Access Statement - 11 Leverton Street Party Wall (10th November 2024);

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 3 All new work and work of making good shall be carried out to match the existing adjacent work as closely as possible in materials and detailed execution.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting listed building consent:

The proposed works comprise the demolition and rebuilding of a brick boundary wall separating the rear gardens of Nos 11 and 13 Leverton Street. The wall lies in the Kentish Town Conservation Area and is also listed at grade II.

Nos 5-23 Leverton Street are of special interest partly due to their uniform appearance as a terrace of houses. This uniformity extended to the rear boundary walls, which are largely consistent in terms of height and materials.

The existing wall is in poor condition, sagging in places and at risk of collapse. The replacement wall is proposed to match the existing, using salvaged stock bricks where possible.

The proposal will preserve the special interest of the listed buildings, the setting of the neighbouring listed buildings on Leverton Street and the character and appearance of Kentish Town Conservation Area.

A site notice and press notice were published for public consultation purposes, and Bartholomew Estate CAAC, Kentish Town CAAC and Kentish Town Neighbourhood Forum were consulted. Only Kentish Town Neighbourhood Forum responded, making no comment.

The planning history of the site has been taken into account when coming to this decision.

Special regard has been attached to the desirability of preserving the listed building and its features of special architectural or historic interest, the setting of adjacent listed buildings, and the character and appearance of the conservation area, under s.16, s.66 and s.72 of the Planning (Listed Buildings

and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policy D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2021 and the National Planning Policy Framework 2024.
