| 2025/0526/P | Alan Selwyn | 10/03/2025 23:54:24 | OBJ | The Belsize Society objects to this application. Th current extensions take up around 40% of the garden. The new additional extension takes this up to around 50% which is excessive, especially given the already tiny amount of external space. The additional glazed elements would add to the light pollution at night. |
